

2024 Business Equipment Quota Index

The BTA Business Equipment Quota Index (BEQI) provides market potential (product demand) indices for monochrome and color MFPs, monochrome and color single-function laser printers, large-format printers and scanners.

Use the BEQI to:

- Forecast sales
- Evaluate territories
- Measure sales potential
- Establish sales quotas
- Measure sales performance

Get your 2024 BEQI now!

BTA members may apply their \$150 or \$250 discount received with membership toward a BEQI purchase.

For more information or to purchase, visit: www.bta.org/BEQI.
