

BTA PRESIDENT'S MESSAGE

'Moving Forward Into The Future' in 2024-25

I would like to start my presidency by thanking BTA Immediate Past President Don Risser for his leadership and hard work in the last year. As we "Move Forward Into the Future," you will see this phrase, along with #BTAFutureForward, repeated over and over. As the 2024-25 BTA president, my focus will be on moving the association into the future for our members' needs and their success.

We will engage all types of manufacturers and encourage strong and innovative relationships with dealer members to accomplish success for both. In addition, we will look at BTA events and work to provide high-energy entertainment and speakers, training and guidance that lead dealers down a path to success. We at BTA are excited about and look forward to the next year as we Move Forward Into the Future with the help of the following national and district elected volunteers who have stepped forward to help guide the association alongside me:
