

BTA PRESIDENT'S MESSAGE

Welcome 2026-2027 BTA Board Members

I would like to introduce myself as the new Business Technology Association (BTA) president serving during the 100th anniversary year of the oldest and most distinguished association in our industry.

It is with honor and respect that all of BTA's volunteers and I continue the legacy of those who blazed the trail before us. With the next 100 years in our sights, we must make sure that BTA continues to be a guiding light for so many in our industry. Thank you, Debra Dennis, our 2025-2026 president, for setting the course for change and the challenges that come with it. Many of us have had success in this industry, which has taken determination and effort to achieve. I would encourage those who can to give back and become volunteers in our association to steady its course for the next 100 years.

I would like to recognize and thank the following volunteers who have stepped forward to help guide the association alongside me during the 2026-2027 year:
