Printer Benchmark

The screenshot shows a detailed benchmark report for several printer models. At the top, there are small images of the printers: HP Color LaserJet Enterprise MFP E77650, HP Color LaserJet Enterprise MFP E77650, HP Color LaserJet Enterprise MFP E77650, HP Color LaserJet Enterprise MFP E77650, and HP Color LaserJet Enterprise MFP E77650. Below these are multiple tables of specifications, including performance metrics like pages per minute (PPM), first copy time (FCT), and resolution. The report also includes sections for 'Features' and 'Options' for each model.
